PETITIONS GROUP

REQUEST FOR WITHDRAWAL OF ABANDONMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

This is responsive to the Notice of Abandonment mailed November 19, 2002. The Notice states that the Applicant did not respond to the Notification of Missing Requirements in a timely manner. However, the Applicant did not receive the Notice of Missing Requirements; this fact was confirmed by Examiner Greg Toatley. Attached is a copy of our docketing record (which shows that we never received the Notice of Missing Requirements), a copy of the Declaration Combined with Power of Attorney and a copy of the Notice of Abandonment form.

Firm Docketing System

Upon the filing of a new U.S. application, a three-month docketing date is generated to confirm receipt of official notification of filing from the U.S. Patent Office. Should a Notification of Missing Requirements be received prior to expiration of this three-month date, it is immediately docketed for a two-month response, taking into consideration the possible extensions of time available for up to six months. I attest that this docketing system is accurate and that a Notification of Missing Requirements for Application No. 09/980,352 was never received.

The Notification of Missing Requirements Form

After a telephone conference on December 17, 2002, Examiner Greg Toatley faxed to the undersigned a copy of the Notification of Missing Requirements form, a copy of this notification is also attached.

In view of the foregoing, Applicant respectfully requests that this Notice of Abandonment be withdrawn and for consideration of the application on the merits.

Please debit Deposit Account No. 13-3080 for any required petition fee.

Respectfully submitted,

Timothy M. Kelley
